Welcome Back Dancers!

Let's get dancing! We are so excited to back on the dance floor with all of our amazing dancers! Recital dances are underway and we will be very busy with choreography, staging and musicality. It is very important that all dancers attend class each week.

This is a very important time for parents and dancers. We will be distributing all recital costumes and handing out all picture, rehearsal, and recital information. These weeks are well ahead of Recitals however we want to make sure everyone is well-informed every step of the way. Costumes will only be distributed to parents. Please make arrangements to have a parent present during these weeks.
